

Master application procedure

Campus Sint-Lukas Brussel: portfolio requirements

	<u>Master of Audiovisual Arts</u>
Specialization	
Film Directing	- A balanced selection of at least two single screen audiovisual works that clearly attest to your directing skills and your singular voice, style and/or approach. Please upload your work on a personal Vimeo or YouTube page (optionally hidden).
Animation Film	- 2 films (preferable animation) on Vimeo or YouTube. - 10 drawings (or sgi-renders, or artistic concepts visualised).

	<u>Master of Visual Arts</u>
Specialization	
Photography	- A digital portfolio with relevant work concerning your application: a high-quality portfolio, where the ensemble of the work (lens-based) is situated in an individual trajectory and positioned in a broader audiovisual/photographic contemporary art landscape. Each artwork should have enough context, a short description, and be accompanied with documentation of good quality. Note: if there is performance, or visual arts film work involved, we expect a link with good documentation. - An artistic CV with experience concerning the exposure of your work. - A physical portfolio with minimal 5 good quality prints (to show should you be invited for an interview on the campus).
Media & Information Design	Digital portfolio in low-res. PDF-format which contains minimum five projects related to the area of information design. The projects should be visually illustrated and each project should contain a short description of the briefing (max. 500 characters) and of your personal approach (max. 1000 characters). If other media than PDF are required to present your work (for example: QuickTime, HTML, Processing...), then clearly indicate which software (name and version) has to be used to see your work.
Graphic Storytelling	- Recent artwork (digital portfolio in low-res). - PDF-format which shows your narrative and illustrative skills.
Fine Arts	- A digital portfolio which contains minimum 10 images of recent works with a short description, used media and size in cm (document preferably transferable via internet).
