

Application form student-entrepreneur 2024 - 2025

This form allows students to apply for student-entrepreneur status. The student-entrepreneur status offers students who are already self-employed or (exceptionally) intend to become self-employed, the possibility to better align their study obligations with their self-employed activity. This status is therefore different from the student-entrepreneur fiscal status, but is linked to it.

Personal information:

First and last name Click or tap to enter text.
Street and house number Click or tap to enter text.
Postal code and city Click or tap to enter text.
Phone number Click or tap to enter text.
Email address Click or tap to enter text.

Entrepreneurial idea/enterprise details

What type of product/service do you sell, or want to sell? Give a brief summary of what your enterprise(sidee) entails

Complete the statement below.

This application does not create a right to "student entrepreneur" status, but is only the application form for that purpose. The student confirms that all information has been completed truthfully. The student undertakes to immediately communicate (serious) changes in data or cessation of self-employment to the care coach of his campus.

Date Click or tap to enter a date.

Name and signature of the student

What to do after completing application form?

1. Upload into the online tool (KU Loket):
 - a. This application form, completed.
 - b. Copy of a degree in business management, if applicable.
 - c. Proof of company number, if applicable.
 - d. Financial plan, if applicable.
 - e. Tax bill for past fiscal year, if already self-employed for more than one year fiscal status.
2. If you also apply for high-level artist status (if applicable), indicate this in the tool and complete the steps belonging to that status.
3. Make an appointment with the special needs assessor at your campus for a personal interview. Contact details: <https://www.luca-arts.be/en/special-needs-students>
