

Application form 'working student' 2024 - 2025

With this form the student can apply for the status of working student. The working student status offers students the opportunity to better align their study obligations with their work activity. The student must work at least 80 hours a month or is employed part-time in accordance with the relevant collective labor agreement (CAO).
Doctoral students or students who follow education in a work trajectory cannot submit an application, because their education form has already been adjusted.

Job information

Where do you work and what position do you hold? Also indicate which hours you work and which ones overlap with the study schedule.

Fill in the statement below

This application does not create a right to the 'working student' status, but is only the application form for that purpose. The student confirms that all information has been entered truthfully. The student undertakes to immediately communicate (serious) changes to the data or cessation of the work activity to the special needs assessor of the campus.
